Subject: Call with the DWTSA Coordinator on Monday, July 13, 2015 at 11:00 a.m. Hopi Time

Ivan,

The Coordinator of the Drinking Water Tribal Set-Aside Program in USEPA Region 9, Emmanuelle Rapicavoli, would like to review some of the terms and conditions of the potential grant funding to replace the existing West Tank of the Polacca water system. Will you be available to talk to Emmanuelle on Monday, July 13, 2015? If so, what about at 11:00 a.m. Hopi Time (which is the same as California Time)?

Please let me know if the date and time is OK for you. If not, could you please give us some potential days and times for the call? The call should be short – perhaps 15 minutes.

I have copied Lionel on this e-mail since the Hopi Tribe is the entity that applied for the funding.
